We have two very important funds in the church that are used regularly to help folks in our congregation and in our community, they are **Benevolence** and **Pastor's Discretionary**. We use them to quickly respond to financial situations that are of great need to our community. These funds are perilously low and are in need of refreshing. Please consider donating today, and regularly to these specific church resources.

Our church continues to grow and become more and more active post Covid times...and we need help in getting some of our programs moving again. Please consider volunteering for the following areas and keep an eye out for more opportunities as they arise! See Pastor Cory for more details.
